| Exclusive features | Benefits | Advantages |
|--|--|--|
| Soft supple flaps | Conform to the horse's shape enabling the rider to feel every movement. | Rider can effectively apply aids. |
| Performance Driven Tree and Seat Shape | Extra deep seat with a very low thin waist that positions the rider on their seat bones and very close to the horse | Rider has greater control of their horse. |
| Soft Knee Inserts | Provides support and helps maintain the correct dressage leg position. | Stabilises the rider's knee. |
| Newly Positioned Stirrup Bars | Positioned up to 5cm (2") further back than the standard bar to effortlessly balance the rider in ear, shoulder, hip and heel alignment. | Enables the rider to ride with a straight longer leg effortlessly. |
| Adjustable Flexibloc System | Enables rider to individually tailor their thigh and knee support. | Provides a more secure position for the rider. |
| Adjustable Y-Girthing System | Y-Girthing system secures the front and back of the saddle. | Prevents movement in the saddle. |
| Surcingle | Holds the flaps of the saddle securely in place and locks them firmly around the horse. | Reduced flap movement creates a better feeling |
| High Performance Panel | Long and even, narrow in the waist for rider contact with quilted points to allow the horse unrestricted shoulder movement. | Comfortable so the horse is more willing to work. |

| Bates features | Benefits | Advantages |
|---|---|--|
| CAIR® Cushion System | Revolutionary new air panel system that evenly distributes weight across the entire length of the panel, virtually eliminating pressure points. CAIR® air panels fluidly adjust with the horse's muscle movement. | Better performance & freer movement for the horse. Provides shock and impact absorption. |
| EASY-CHANGE® Gullet System | Allows on-the-spot adjusting of the saddle to fit correctly over the horse's wither. Allows the saddle to be fitted to suit the horse's changing shape. | Saddle can be custom fit within minutes. Horse stays comfortable. |
| Luxurious Hand Selected Leathers | This saddle is crafted using the finest hand selected leathers from all over the World. All hides are specially tanned to be highly resistant to sweat and to be soft and supple for horse and rider comfort. | Luxurious feeling for the rider. |
| Chrome Tanned Prestretched Leather Points | Prestretched for longer durability. Heavily waxed to seal the leather from water or moisture. | Longer durability. Increased performance. |
| Lifetime Guarantee on Bates Tree | Bates Trees are guaranteed for the lifetime of the saddle. | Great assurance of quality. |
